

We are pleased to present the ***Flathead Watershed Sourcebook: A Guide to an Extraordinary Place***. This book is a comprehensive resource for the communities and educators of the Flathead Watershed, providing insight into the cultural and natural history of the area. It describes the bounty of our lands and natural resources, our wildlife and wild places, the economics of our communities, ownership and management of our lands, and offers information about our many conservation and education resources.

Over 60 individuals from non-governmental organizations, agencies, and tribes contributed insights to the publication, giving it a blend of diverse perspectives. The book offers valuable information about living in the Flathead Watershed and tells a compelling story about the people and places that make it an extraordinary place.

***We hope you will help us to bring this informative project to citizens and educators by making a contribution.***
